Fellow ruggers,

It has been a while since you have heard from me, but I would like to take time to make another effort to establish an AFAARA (Air Force Academy Alumni Rugby Association). I have just spoken with Maj. Al Osur (skipper), the current coach, and we have tentatively set up a game over the '77 Homecoming Weekend (14-16 October when the football team will be playing Arizona State). The Alums will play the 'B' side that morning, but I will be getting more in that respect out to you later.

The main push of this letter, however, is to generate enthusiasm and to find out which grads are going to be active in an Alumni Rugby Association. Enclosed is my modest effort for ex-cadets who have played on the past rugby teams. I'm sure I haven't contacted everybody, and if you see I've missed a few, please send their names on to me and I'll follow through and contact them. If you don't respond, your name will be dropped from the list.

Simply put: we like to play rugby; Academy rugby was a bright spot in our time there; why not an Old Timer's Game? (The beer must still be the same...). We may eventually need dues, uniforms, etc , and I would very much like your comments on the whole idea. Drop me a line on the enclosed postcard and also the names of other players who might wish to take part in this gentlemanly and sophisticated alumni organization.

Yours for rugby,
