

The USAFA Women's Rugby Team dethroned reigning champ UCONN with a 19-8 victory in Sunday's (4 Dec) Fall National D1 Championship. The Zoomies' solid defense completely mauled & halted the Huskies. Our strategic kicking deep into UCONN territory was excellent and set-up three forceful offensive drives leading to successful points. This Championship adds to four previous National Titles: 1991, 1994, 2002, and 2003.
